Thanksgiving

E. R. McMullen

Autumn leaves are falling down,

Turkeys, pumpkin, corn,

Smell the great aromas,

Tis Thanksgiving morn.

Thank You for the seasons,

Colorful and gay,
Thank You for the joy we share,
This Thanksgiving Day.

Word Study

PEACE – calm, repose, freedom from disturbance, war, hostilities, tumult, commotion

This Peace comes from the fullness of Grace In Christ Jesus. Christ In us releases His Peace that passes our understanding as we put our frustration, striving, and strife with Him, ourselves, or anyone else in our lives, over into The Already Completed Work of Jesus and His Cross. We are applying what He already did for us 2008 years ago, and are receiving what He already sent to us also at that time. He already did all that He ever needs to do and sent out His Fullness of Love and Grace for all of us – we just need to be thankful and RECEIVE. Whatever your struggle, He has ALREADY taken care of it 2008 years ago! The only struggle I see we have is the war in our own will. When we choose to give up the fight, put this into the Cross, which is to surrender to His Will, our main relationship is repaired. Then the freedom from disturbance, war, hostility, tumult, and commotion comes forth in our souls and bodies and relationships and finances too.(there will be ripples of positive effects from the inside of you outward in your life)

This is the PEACE of Christ In you, His Calm repose. Wow! Thank You, Holy Spirit for being "the repairer of the breach" in our personal lives. Repair the breach between us and Jesus, the Father, Holy Spirit, ourselves, and all other people. Then a Peaceful order will take effect in our lives.

Prayer / needs

May God manifest His comforting Love to those who have had a loved one leave this world, to those grieving and struggling over any loss this season. Put it by prayer into the Cross of Jesus, who already bore our grief, and allow Him to comfort us personally, and give us His Peace and Joy again.

Also, pray for all the frustrated people around you, including yourself this

month.
