the Hope of Glory, Watching, Praying, Agreement, Thanksgiving,
Receiving, Retaining, Giving, Trusting God....

In Preparation for A Life of Continual Communion:

Continual: lasting, without interruption, unceasing

Communion: the act of communing, celebrating the Lord's Supper

Commune: to converse together intimately; to have spiritual intercourse with; to receive Communion

October is the NEW YEAR for the Jewish People. The Feast of Atonement is in October. They have only once a year to be forgiven. We as Christians are grafted into the Vine. Jesus is the King of the Jews and Lord of all peoples. We are in Him, He is In us. We are already under His Blood and completely forgiven. He forgives us moment to moment for our daily mistakes at the asking of forgiveness. I have noted for years that at October a new thing would be presented to me to focus on the next year, and it was always what was successful. Many times God had looked over our previous year and picked what He was already pleased with and wanted it now to be presented in another new way. I wanted to explain this, for I know He will do this for you in your life, ministry, business, family, church, if you will Contemplate the previous year with the Lord, and project what He reveals into the next year, making Changes accordingly, surely you too will find success. Fullness Ministries begins its NEW YEAR in October. Happy New Year!

Fullness CHANGES Change is a GOOD THING.

Come, take a deep breath, and sit with Our Lord, Our Father, and the Hand of Heaven - The Holy Spirit, to contemplate and receive His coming changes. Do you think we'll all fit on this bench? We can sing to the Lord, dance on the riverbank while the fish jump, skip rocks, smell the flowers, and picnic. I am sure He will send an Eagle or two to fly over us to remind us to come fly with Him in Trust through all things in the coming year.

🍁 PRAYER:

"Lord, please come to our surprise party here by the water. You've said to 'Come, let us reason together, be justified and glorified In Christ and that nothing can stand against us being in agreement with You and your Will for us, and nothing can separate us from Your Love because of Jesus In us and us In Him. Form us into His Image to Your Credit. We yield to You, pay attention to hear, and choose to be willing, obedient and to eat the Good of the land You have for us."

Isa. 1:18-19

🍁 DECLARE OUTWARDLY:

"Lord, We are called here by Your Love and Grace, for Your Will and Your Purpose. You promised ALL THINGS WILL WORK TOGETHER FOR GOOD as we yield, receive, understand, and cooperate with Your general and specific Plan and Purpose for us!!

If God be for me, who can be against me?.... NO ONE!!!

Nothing and no one in my past, present, or future can separate me from the Love of God! God Loves me because of Jesus. I love the GodHead, myself, and all people, In Jesus Name. No weapon, no tongue, no judgment, no blame, shame, plan, intent or purpose, formed against this shall prosper.

I bind In Jesus Name, all lack, trauma, weakness, and im-maturity of what I know of, and what I don't, and put it all over by Faith and Grace into Jesus and The Already Completed Work of His Cross. I remind, In Jesus Name, whose Name is above all names including these; all the spirits of darkness in the heavens, the earth, under the earth, and their results in my flesh and circumstances that they have no authority because of Jesus and The Already Completed Work of His Cross.

All things hidden be brought to Light and revealed now In Jesus Name! Anything I have previously allowed or agreed with mistakenly, be revealed now, In Jesus Name. I come into agreement with You Father, Jesus, and the Holy Spirit!

I RECEIVE Jesus, the Fullness of the GodHead Bodily now, In Jesus Name. I am In Christ, Christ is In me, the Hope of Glory.

I choose to fly through this life trusting God with my eyes wide open, looking for and receiving His Higher viewpoint of Truth in my thoughts and ways. All to the Credit of the GodHead."

Rom.8:28-39

Gather His momentum, thrust, lift, and mount up to FLY upon the wind of the Spirit to the next page and prepare to receive...

THIS IS THE YEAR OF COMMUNION

A Picture Within The Picture
His Specific Will within His General Will
A Life of Continual Communion within Communion

You know how sometimes you cannot tell the difference in the look of fire - from water - from sky -from leaves on trees in fall? Sometimes we struggle to distinguish the difference of whether the Lord is Blessing us, or is the world, the devil, another's flesh, or our own flesh causing the troubles? "Do I fight this and that or submit and cooperate?" is the question. This painting is an example how it will all work out for the good even if you struggle to distinguish what's what. As you go this next year He will give you more and more SonLight in your understanding - discernment to see and know what's what, and will reveal more of His specific Will for you, a place of Continual Communion, and the how to get there and stay - by His Holy Spirit's Graceful inspiration and our attention and cooperation.

The Lord would have us contemplate on Communion this year, and go with the Changes He reveals to us. A Literal Communion Time, taking the Blessed Bread and Wine, and gaining momentum of a Life of Continual Communion that comes from flying in Trust by the Grace of the Holy Spirit.

Thrust + Lift = Flight of Trust

Fullness Preparation

TEACHABLE ATTITUDE

The attitude of whatever happens, I will learn the lessons God wants me to glean from these experiences, and "grow on and up In Christ" is what the disciples had. Life is a classroom and you can go to the head of the class In Christ and excel.

ALREADY WON ATTITUDE

Living in this world is like a huge game it plays, but we play from the "already won In Christ" position, no matter what anyone else thinks, interprets, sees, does, or comments on. Divine Love from being within Christ and the Already Completed Work of His Cross has already won. The Son's Loving Life-Light has already won, is winning, and will always win, and darkness can never put it out or overcome it! Jn. 1:1-5. Light Be! In our understanding today!

HUMBLY COMING INTO AGREEMENT

A Temporary "down" time is to yield and ask, Lord how do You see this? What shall I pray, believe, read, say and do? What am I learning here? What is the Truth? Teach me, Holy Spirit. Then listen, hear, and watch for Him to answer. This is the first wing of LIFT you receive. As pride comes before the fall, so humility comes before the lift.

GOING INTO CHRIST - THE THRUST

Not that you blame God for all things that come at you, but with His Higher Viewpoint, Thoughts and Ways, you can use any situation to thrust yourself over into Him again and again, and He will come and take you higher each time by His Grace and Truth revealed in you personally for each situation. Put all that comes at you or is revealed in you, into the Already Completed Work of Jesus' Cross. All Things fit into the seven categories - boxes I call them. Rejection (mostly aimed at your spirit), Grief(emotion pain), Sorrow(mind pain), Transgression (un-Christ like actions-you or another), Iniquity (un-Christ like re-actions), Chastisement(strife), Stripes(any weakness). This is how you can deny yourself what you'd really like to say and do... and instead take up your cross each day- put it over into His Already finished, completed, victorious Cross Work, hold that teachable and Already won attitude because of Jesus and His Already Completed Work In you, and keep following Jesus wherever He takes you, and into whatever happens.

You and your whole household will be "lassoed and conquered, and brought Into" Christ and His Already Completed Work this way. Even whoever was an offender to you will be given a chance for change, growth, salvation, redemption, healing, and restoration by Grace being released this way. The Lord will go into general issues in your dining room, kitchen, bedroom, office, living room bathroom, guest room, garage, storage, ect...till your whole house has gone over into the Already Completed Work of Jesus and His Cross...and then later, more rounds again and again going deeper into more intricate detail as you trust Him. His General Will by Grace takes you and your household over Into Himself and His Completed Work, then His Specific Will Grows you up - or reveals His Already Completed Work's growth in you. You grow to realize more and more who Jesus is In you. It is a process that will continue all your life, so don't think you have it all and move on to an enticing temptation that assuages your boredom, frustration, aloneness, need for a pleasant reward, or quit because you think you will never get it all down pat.

The Apostles had this attitude to carry them through the really good times to give God Glory-Credit for, but also for the really difficult times of being mis-understood, or being understood but hated, feared, envied, beat and imprisoned for their righteousness and goodness In Christ releases reproof, as Bishop Fulton Sheen said one time. For many people love the 'darkness' they live in, Jn.3:19-21, and hate the Light. The Disciples won no matter what. It's a win-win attitude. We In Christ are His Disciples if we receive and obey Jesus and His teachings. In Him we always win also.

Fullness - PREPARATION TIME (Continued)

Notice Jesus' preparation time. 30 years. And three years of outward show ministry. Because of Jesus, The Already Completed Work of His Cross, and His Resurrection, Ascension, Enthronement, Intercession, and Prevailing Triumphant Power, He tells us greater things shall we do because He did all this and went to Our Father...well, in this maybe He will condense our Preparatory Work Time. It's up to us to choose to yield and seek His Viewpoint and His Lessons within each challenge, opportunity, change; the good, bad, or ugly. And put it into the Already Completed Work of the Cross and watch the Redemption and Good come out of it. To Receive and to Give.

VIEW CHANGES AS OPPORTUNITIES

On the winds of a storm, the eagle yields and flies on those winds, to an even higher place than it was before! Trust Him to come get you and fly to an even higher vantage point to have a farther, clearer viewpoint In Christ. He gives you His Viewpoint and interpretation of the situation you are in. He sees, understands, and knows the bigger picture. Let Him show you the Big Picture and the detailed, specific, Smaller Picture within it. Raise those arms in trusting agreement that God will teach you something Good out of any situation. He did not create all the problems, but He will bring forth something Good or redeem the situation somehow.

My testimony in TenderHearted is an example of God taking a particularly difficult situation and dark experience and revealed many lessons in it as a teaching of His Divine Provision, Protection, and Preservation. I am thankful I did not do what the world said and "just get over it", but asked what the lessons was He able to teach me here, because He promised He loved me, and I questioned how could He if He let stuff like this happen to me? He was faithful to show me and gave much Light in my understanding. He took me THROUGH IT. He will be faithful to you too in each place, and if you ask Him to teach you, He will. We all have many "opportunities" for growth and development In Christ In you the Hope of Glory. Truth is a great Comfort. That Truth was a new strength In Christ now that I did not know I was lacking before, and sharing it has also helped others to go IN and grow UP Into Christ in the process.

"Lord, teach me, show me, Your Son's Life-Light Be! In my understanding today! I Receive, I Receive, I Receive, In Jesus Name."

Trust in the Lord with all your heart and lean not to your own understanding. In all your ways acknowledge Him, and He shall direct your paths, Prov.3:5-6.

He will help you practice to objectively discern, interpret, and understand. If there is anything we would have you receive from this ministry, let it be Loving SonLight in your understanding to see and know how much the GodHead Loves you, and to Live now In Christ in these earthen vessels as it is in Heaven through the Fullness of Jesus and the Power of His Already Completed Work In you. We are called to "build the old waste places, raise up the foundations of many generations, repair the breach, and restore paths to dwell in," Isa. 58:12.

The harder the change was to submit to the Will of God, surrender, and cooperate, the greater the opportunity for growth and development to radiate God's Glory and testify to the effectiveness of The Already Completed Work of Jesus' Cross and His Fullness. More of His Nature revealed, and His Character developed. Agony was already dealt with and overcome by Jesus in the Garden. We can choose to trust that all things will work together for the Good to us who love God and are doing His Will as best we can. Trust His Preparation is the point. Whether the world is teaching us some lessons by hard knocks, other's flesh, or our own flesh, or the devil and his nasty cronies mess things up, God will take it, teach us to be more discerning: to recognize and resist, to be Gracefull, and redeem somehow any situation, relationship etc., in His own time and way. Anything you have goofed up, or someone around you, God can redeem. Somehow. Someway.

Building a Trust Foundation For A Safe Flight

We all think we know what trust is. Trust in God. Many of the basics of the Foundation of Christianity are a continual revelation of more and more understanding of a seemingly simple concept. What seems simple and quickly ascertained, is really extremely intricate and finely detailed upon taking a closer look. The concept will grow stronger as you return to it and receive more of its details in an ever widening scope as it encompasses all your life and interest, Jer. 31:22. We move too swiftly from concept to concept, considering ourselves knowledgeable now in a certain area and move on to a new thing. We are shallow, weak, and fruitless this way, as we did not gain depth, strength, or roots.

THE FOURTH HEART TYPE

In Lk.8:4-15, there is described the four kinds of hearts. The Lord is Preparing us to be the fourth type of heart. The one that is good ground, honest, having heard the Word, retains - keeps it, and brings forth fruit with patience. It takes time. This is progressive, growth revealed, maturity, strength. To come out of agreement and the control and influence of the devil and darkness, the world, other's flesh, and then our own flesh and will takes time. All the "put offs" listed in Col. 3 go into the Cross and the "put ons" listed there also we receive through Jesus and His Already Completed Seven areas of Work. It takes time to pinpoint and realize these though.

PATIENCE

No wonder Patience is always the virtue that possesses, keeps you, and bears fruit, Lk.21:19 & Lk.8:15. Let Patience have her perfect work, that you will be entire and lacking nothing, James 1:4. Entirely coming Into Christ, and knowing – realizing - there is no lack In Him and that He is In you.

A THANK-FULL VIEWPOINT – THE OTHER WING OF LIFT

In All Things give Thanks, 1Thess.5:18, and Jesus will take you aside and expound all things to you as He does for His Disciples, Mk.4:34, and the Holy Spirit will teach you all things you need to know, 1Jn.2:27 & Jn.14:26.

Being in agreement with the Lord and the lessons He is teaching you in the face of any adversity or negative situation, a state of Thanksgiving no matter what. Having a heart of Thanksgiving, even at times if it is just that you thank Him for never leaving you or forgetting you. Agreeing and giving thanks in all things LIFTS- slips you through the situation more quickly, with less stress on you because you are trusting God to show you what to do, say, or not. It is like being anointed and oiled so much that all things not of God roll right off you. Jesus walked right THROUGH the midst of the crowd and went His Way, Lk.4:30 Jn.8:59, Jn.10:39, His Higher Way, according to the Will of God. So often Jesus gave thanks first before He asked for and received His Miracles from Our Father. The pressure is on Him and He can handle it. In fact He already did handle it, whatever it is, 2005 years ago. He sent you His prevailing triumphant Power. You RECEIVE what has already been given, and sent to you.

WEAR HIS ARMOR OF LIGHT
